PATRICK ELDER

PATRICK ELDER was born in 1953 and lives and works in Suffolk. He studied furniture design and cabinet making in the late 1970's, but was drawn to the freedom and wonder of sculpture and has, over time, developed his own natural expressive art form.

The work of Patrick Elder is truly abstract. His sculpture is unique and each piece is created through a process in which meditation is central. He endeavours to work in a spontaneous manner, using bronze, aluminium, stone and sand. They are the perfect media for reflecting the purity and peacefulness of his art.

Patrick has exhibited widely and has work in collections throughout the UK, North America, Australia and Switzerland. He joined the John Russell Gallery's portfolio of artists in 2007.
